ROMSEY GOLF CLUB/CITY & RURAL REAL ESTATE - HOLE IN ONE COMPETITION:

On Sunday the 7th of May the Romsey Golf Club in conjunction with City & Rural Real Estate are holding a mini golf tournament and hole in one competition. Commencing at 9.30 a.m. there will be a twelve hole competition for golfers and non golfers, With trophies to the value of \$300, including best score, best non golfer score, longest drives and nearest the pins. Then a luncheon break, refreshments and a BBQ lunch will be available. After lunch the Hole in one competition starts and the first person to land a ball in the hole will walk away with \$300.00 cash, not a bad afternoons work. Both competitions are open to all comers (over 14 years) no need to have a golf handicap.

The entry fee for the mini tournament is just \$2 and for the hole in one competition you get 4 balls for \$2.00 and try as often as you like. So come along and have a bash it will be a great day.

ECUMENICAL SERVICE FOR EASTER:

A well attended ecumenical service on Good Friday at the Anglican Church in Lancefield saw the Cross recognised in a practical way. Worshippers were asked to place a nail at the foot of a cross in the church as part of the worship. This symbolised each individual's contribution to the nails that held Jesus to the original cross on the first Good Friday. The cross was then erected in the church grounds until next Easter when it is intended that it should be moved to the next host church, and so on.

The service was led by Rev. Grant Hilton (Anglican), who prepared the new cross, and Rev. Adrian Pegler (Uniting) with assistance from Sister Agnes (St. Mary's School) and several lay people from district churches.

The next ecumenical service will mark the annual Week of Prayer for Christian Unity in May. It too will be held in the Lancefield Anglican Church this year.

COBAW COMMUNITY HEALTH SERVICE:

Parenting Skills Workshop - Do you find everyday seems to be a hassle: getting children up and ready for school, attempting to have an orderly meal above the blast of the t.v. and nightly arguments at bedtime? Do you spend your life chauffering your children from one activity to another with little thanks? Do you ever wonder about the direction your parenting is taking you and your child?

Cobaw Community Health Service is running a parenting skills workshop for parents of children under twelve. The workshop will focus on problem areas that participants see as being an issue for them.

COBAY COMMUNITY HEALTH SERVICE (cont'd.):

Starting on Monday 1st May, the workshop will run for eight weeks at the Lancefield Medical Centre from 1.00 p.m. - 3.00 p.m. Childminding will be provided. Cost will be \$16.00 per participant. Please telephone Janet or Sue on 223 011. Please register by 27th April.

RANDOM RAGGINGS by "RAMBLER":

It was good to see our Shire Council setting out in the Community bus last week for a tour of inspection. The principle of them being familiar with the shire, and in particular the "trouble spots" about which they must make important decisions, is beyond reproach. But the observation also served to remind me of the time that our councillors give to the community. It is far more than the one day each month of the formal Council Meeting. Sub-committees, riding meetings, responding to call from residents, all these take up a great deal of their time. Do many of us stop to think about the sacrifices our councillors, and their families, make? I hope so. And I further hope that our appreciation is real and deep.

.....

Two district students recently successfully concluded their academic careers. David Clement passed the final examination for his full accreditation as a valuer. Tim Pegler graduated Bachelor of Arts at Melbourne University. Congratulations.

.....

Was it only an April Fool joke? NO! There as a good article in The Age (Saturday, 1st April) about our local community commuter co-op. buses, but, did you see in the accompanying photograph that the bus was pointing the wrong way in the service road outside the Post Office? Good picture, but bad driving example.

BULLETIN FROM LANCEFIELD & DISTRICT BUSH NURSING HOSPITAL INC.:

This year Heart Week will be held from April 16th - 23rd, with the theme - "When it's hear attack, every minute counts". It is therefore an appropriate time to announce that Lancefield & District Bush Nursing Hospital has purchased a defibrillator, adding a potentially lifesaving piece of equipment to our existing resources.

Heart disease is responsible for approximately half of all deaths in Australia each year, including deaths from cancer and road accidents. Coronary heart disease affects about 5% of our adult population at any one time.

Atherosclerosis is the thickening and roughening of the internal walls of the arteries by deposits of fibrous and fatty materials. These tend to narrow arteries and slow down blood flow. Most humans from their teens onwards have atherosclerosis to some degree.

Although scientists have not been able to show a single cause for heart disease, certain risk factors such as physical inactivity, high serum cholesterol levels, obesity and smoking, are related to our western lifestyle and diet. These we can change!

The incidence of coronary heart disease increases greatly with age in both sexes, but the fact that young people may develop CHD makes it clear that coronary atherosclerosis is not simply a disease of aging.

If the coronary arteries are seriously clogged with atherosclerosis, a branch may close completely or become obstructed by a blood clot, starving the heart muscle of blood beyond the obstruction. The patient feels a sudden severe chest pain and is suffering a heart attack - also called a coronary occlusion, coronary thrombosis or myocardial infarction.

In some cases the oxygen starved muscle disturbs the heart's rhythmic beat, leading to a useless, fluttering rhythm which is ineffective in propelling blood from the ventricles.

Death occurs within a few minutes unless the heart's proper beat is restored by defibrillation. This is an emergency procedure only to maintain life until regular coronary care can be implemented. Therefore it will not need to be used in every case.

Defibrillation is the principle of applying a high voltage shock of very brief duration through the chest wall, with the capability of abruptly stopping the chaotic electrical activity within the heart, allowing the heart's natural pacemaker to re-establish an effective beat. The defibrillator recently acquired by the Hospital is the piece of equipment which performs this function.

The Hospital Committee of Management would like to express grateful thanks to the Lions Club, whose very generous help accounted for half the purchase cost of the defibrillator. The remainder was funded from the Hospital's donation account, consisting of the aggregation of sums from our hard working auxiliaries and gifts from the public.

LANCEFIELD & DISTRICT GARDEN CLUB NOTES:

Dahlia growing and all aspects of it, will be the subject for the guest speaker at the next meeting of the Lancefield & District Garden Club at 8 p.m. on Tuesday 25th April at the Lancefield Mechanics Hall. Last month's guest speaker Glenn Hyne addressed approximately 44 members of Lancefield Macedon and Kyneton Clubs at a combined meeting at Lancefield.

A bus trip is being organized to visit Macedon gardens on Sunday 16th April, which not only garden club members can attend - ring John Severson - Lancefield 291 757 or Dess Keating 295 840 but DON'T FORGET THE MEETING DATE - 25th APRIL.

ROMSEY/LANCEFIELD DISTRICTS HISTORICAL SOCIETY;

All local residents who are interested in their local history hopefully will have accepted the invitation extended to them to attend the "Open Day" at historic Sidney Seymour Cottage last Sunday (9th April). This "Open Day" was planned to celebrate both Heritage Week and the 10th anniversary of the formation of our Society. If you have not yet seen the cottage or have not seen it for some time, please take the opportunity when you can to appreciate the amount of restoration work completed (and also yet to be done) to both the cottage and its grounds, with its attractive garden area.

The April meeting of the Society will be held in the Romsey Mechanics Hall, supper room on Tuesday 25th April at 8.00 p.m. with Mrs. Lucille Anders, from the Royal Historical Society of Victoria, who is an expert on genealogical research, and will be able to answer queries re family history and tracing ancestors. To enable her to fully answer questions please advise Mrs. Elaine Lobb (295 321) by 13th April if you have specific items for Mrs. Anders to assist you with your family history.

Any comments or queries you may have re the Historical Society or its future activities to help record and preserve our local history can be directed to the Society Chairman Mr. Robert Clement (295 217).

IN YOUR ROMSEY GARDEN NO. 38:

Garden Tools & Equipment Pt. 2. With the availability of polythene pipe in recent years, it has been possible to minimise the pressure loss inherent in the older galvanized steel pipes and small bore copper tubing, often at much lower cost with easier installation. Running this type of pipe to various parts of the garden direct from the meter will also assist in maintaining pressure especially if $\frac{3}{4}$ or 1 inch (19 mm or 25mm) size is used. On the writer's $\frac{3}{4}$ acre block two such branches serving a total of 11 taps in addition to 3 outside taps from the house system plus 5 taps from a high pressure pump supplied from a 1,000 gallon mains filled tank, enable coverage of the entire block with short $\frac{3}{4}$ inch hoses without any excess water charges, sprinklers being rarely used as there is very little lawn and most shrubs and trees require minimum water. The need to constantly move mobile sprinklers plus the effect of wind in dispersing water over unwanted areas has been found too time consuming and wasteful. Fixed sprinklers, self-propelled units and drip systems are considered impractical among vegetables and unnecessary in most of the

remainder of the block where extensive cultivation is practised or obstacles are encountered.

As regards the choice of hose nozzles, the writer has standardised on the Pope "Oval Rose" as this gives a flat fan spray covering a wide area without the disadvantage of jets striking the ground nearby too forcefully as happens with cone shaped sprays. Unfortunately the size of the holes on most of these fittings is too small with higher pressures resulting in a fine mist, and it is necessary to enlarge these holes by careful redrilling at a precise angle.

COUNCIL NEWS:

A proposal to sub-divide Lot 1 Barry Street West into 14 Lots was refused as it was contrary to the proposed Planning Scheme amendment. A request to modify the development on the corner of Gordon Cres., and Main Road from metal fabrication, mechanical vehicle service, farm equipment sales and service and shop associated with service station to real estate office, office and sales area associated with service station and mechanical workshop, will be advertised. The Education Department has requested Council to re-zone land between Station Str., and Park Lane for education purposes.

Amendments to plans for the supermarket and shopping complex at 107-111 Main Street were found to be substantial and could not be dealt with as a variation. Applicants were to be advised that a new permit application is required. The Romsey Shire Service Directory has now been distributed. If you have not received yours, copies are available at the Shire Office.

Finally, please do not park on or drive over the reservations along Main Street, local police have been requested to enforce the regulations - if detected it will cost YOU money.

Till next time,

Doreen Smith

BROWNIE GUIDE L.A. NOTES:

It is time once again to thank all our office bearers who have helped make the Local Association a success. They have helped raise funds for the extra needs of the Guide and Brownie units. A big thank you too to the parents who have helped the committee and supported the fund raising activities.

The Annual General Meeting of the Association will be held on May the 1st at the Scout Hall at 7 p.m. Please plan to come and show an interest in the group. At the conclusion of the meeting supper will be provided and served by the Girl Guides themselves.

On April the 29th Saturday at 9.15.am, there will be a CAKE AND PRODUCE STALL held in the kiosk beside the chemist to raise funds for the Guide and Brownie work. Donations of produce or cakes can be dropped at the stall the morning of the 29th or at the Romsey Post office the day before. Stall will commence at 9.15.a.m.

A "David Keys" fashion display will be held at the Uniting Church Hall in Pohlman Street at 10.30 a.m. on the 4th of May. A light luncheon will be served afterwards at a cost of \$5.00 per head. All proceeds are to aid Red Cross. Everyone welcome.

ROMSEY & LANCEFIELD CHRISTIAN FELLOWSHIP:

Romsey and Lancefield Christian Fellowship is a local family church which presents the gospel of Jesus Christ to the surrounding community.

We are a spirit filled and Bible believing group of Christians, and believe the words of Jesus when He said "I am the way, the truth, and the life".

Jane Foster and Lorraine Holland can be contacted to provide assistance and details of our weekly program for women. This includes a coffee morning with encouragement and direction for women in their role in the family and home, and a morning to discover what God's original plan was for women and how this is still relevant today.

We invite local residents to attend our Sunday Morning Services which are held each week in the Bolinda Hall commencing at 9.30 a.m. Any further enquiries can be made to Geoff Holland (295 673) or Shaun Foster (295 320).

Mr. and Mrs. C. Thighs wish to let you know,

Sporting News in Romsey

ROMSEY BOWLING CLUB NEWS:

The "Special Margaret Howatson Appeal Day" - (referred to last month), was a great success. The weather was not kind to us as far as bowling was concerned; we played four ends in drizzle, then returned to the clubhouse where we all enjoyed afternoon tea, and held a "Dutch Auction" (which raised almost \$1,000.00).

Two "competitions" were drawn, the painting donated by Mrs. Jan Thomson raised \$200 the winner being Norm Davis. A side of meat from Denchs Butchers (arranged by Mike Dobson) was won by Mike Dobson. Another side was auctioned, bringing in another \$50.00. Total proceeds for the day were approx. \$2,500.00.

On Saturday the 1st of April the division 2 (Men's section) showed that they were not "April Fools" by beating Wallan in the Pennant Final. We hope that by the time that this "Rag" goes to print that they will have also beaten Sunbury White in the Grand Final, (played on Saturday the 8th).

After the worry of further inclement weather, the ladies held their annual Charity Day, attended by 36 mixed bowlers from the Doughty Galla Club on Thursday the 6th raising over \$200 and a great time was had by all.

Four teams made the yearly "pilgrimage" to Bendigo for the Country Week Bowls. The most successful team was lead by Brian Scanlon along with Laurie Barrow, Ken Newnham and skipped by Peter Mitchell. They won their section, and the first final play off but lost narrowly in the second.

The season has almost ended, but we really do need the five months break to mow our lawns, paint the spouting, or do the jobs that must not interfere with bowling! Wishing you all a good "hibernation" and healthy winter.

Norm Thompson.

MID-WEEK LADIES TENNIS:

Congratulations and good luck to all three Romsey teams in the finals of the MDLTA being played this month. Any ladies wishing to play in the competition season beginning in May, please leave your name at the Romsey Sports Store before April 17.

ROMSEY GOLF CLUB - LADIES:

On our first Club Day on 5th April 18 ladies had an enjoyable game, with the winning pair being Shirley Shelton and Cathy Ireland. All ladies are welcome to play on Wednesdays. Hit-off time is 10.30 a.m. Coaching is being arranged for new players so come and join in. For more information ring the Hon. Secretary, Leila Beasley on 295 525.

TENNIS COURT HIRE:

The tennis courts at Romsey Primary School are available for minimal hire after school hours. Key available from Mrs. Clampitt 295 480 17/19 Palmer Street, Romsey, or Mr. Trevor Turnham, 295 413, 12 Dowie Court, Romsey.

Any ladies who would like to try "hit and giggle" social tennis (any Wednesday 9.00 a.m. - 10.30) are welcome to join in at the school.

ROMSEY & DISTRICT BASKETBALL ASSOCIATION:

At this stage, it appears that there is enough support in the community for a Winter season to take place. Registrations will be taken at Romsey Recreation Centre on Thursday 11th April (7-8p.m.) and Saturday 15th April (10-12noon). Cost will be \$15 for students and juniors and \$20 for seniors.
