## THE ROMSEY RAG

Issue No. 192

1500 copies produced each month at Romsey Primary School as a service to our community

April 2002

THE APRIL EDITION OF THE ROMSEY RAG IS PROUDLY BROUGHT TO YOU BY -ROMSEY PRIMARY SCHOOL-

# School Carnival – A Winner!

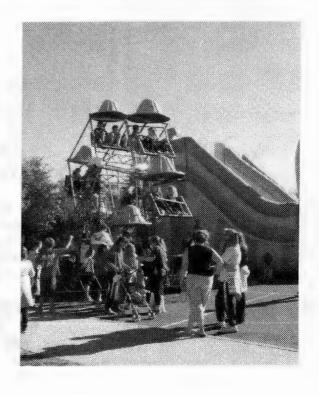

Romsey Primary School held its most successful School Carnival ever last Friday evening. 22<sup>nd</sup> March. After many months of preparation. the warm evening weather was perfect, a host of rides and activities prepared, and stalls were laden with bargains ready for canny shoppers. In addition to all of this there was entertainment galore from the school's students, local dance schools and stunning displays from champion whip-cracker, Russell Adcock. The activity attracted wonderful support from community groups and local businesses. A fitting culmination to the evening was a spectacular fireworks display. As well as being a great financial success, raising over \$12,000 for the school, the carnival was a great community activity. Thankyou to everyone in the Romsey community who supported the school - a terrific effort for our children.

Who could resist a bargain at the Mystery Jar stall (left), or the thrill of a ride or a slide (below). All part of a great evening's entertainment for young and old alike.

The fun of the fair – face painting was a popular activity at the Romsey Primary School Carnival 2002.

## **COUNTRY PUBS**

Among the earliest hotels in Australia was The Little Mermaid which opened in the Rocks area of Sydney in 1802; it later became The Hero of Waterloo! In 1824 John Pascoe Fawkner opened the Cornwall Hotel in Launceston, Van Diemen's Land, and in 1825 The Bush Inn opened at New Norfolk on the Derwent River not far from Hobart. When it was probably one of the earliest "country pubs". Of The new arrivals in Australian ports, some chose to seek land and work inland; so small communities developed each of which had at least a general store, a pub and a blacksmith's shop.

In 1838 J.P. Fawkner moved from Launceston to open the first hotel in Melbourne – "The John Fawkner Hotel" which offered not only beds but food and beverages from Van Diemen's Land and a library of Newspapers, journals and books including one encyclopedia. By then the population of the Port Phillip district of N.S.W. were agitating for separation from Sydney. On August 5<sup>th</sup>, 1850, Royal assent was granted to the creation of Victoria as a separate colony – businesses in Melbourne shut down for five days of wild celebrations complete with much partying and fireworks but it was not until the first of July, 1851 that N.S.W. completed the financial adjustments necessary for the legal separation to occur. At that time the population of Victoria was 76,000 of whom 20,000 live in Melbourne which had become a city from 1849 when Bishop Perry arrived from England to establish the new colony. 53,000 acres had been cleared and there were already 6 million sheep, 380,000 cattle, 21,000 horses; wheat, oats, barley, hops, potatoes, peas, chicory and various other vegetables and fruit were grown. Being so close to Melbourne, the Romford

Fawkner's old Cornwall Hotel in Launceston has been transformed many times – most recently (1981) when it was completely refurbished and renamed The Batman Fawkner Inn in honour of the finder and founder of Melbourne.

Throughout Australia there has been a revival of interest in country pubs as alternatives to motels, caravan parks and B&B's. In what was the Romsey Shire until we became part of the amalgamated Macedon Ranges Shire, country pubs were among the pioneer businesses in many of the small settlements of Lancefield, Romsey, Springfield, Darraweit Guim, Clarkefield, Riddells Creek, Duckholes, Cherokee, Hesket, Pyalong, Benloch and Rochford.

The foundation year of Victoria, 1851, became an "Annus Mirabilis" when rich goldfields were discovered, the largest in the Mount Alexander (Bendigo) area.

The Romsey district attracted many of the unsuccessful diggers who were trudging towards Melbourne, hungry and penniless; some found work in the forests or on the farms and stayed in the hotels. Today we have only three hotels within sight of the Lancefield-Melbourne Road but there used to be ten times that number!

Information on those in the northern end of the Shire is provided in Dorothy Viney's book "From Sublime Solitude - The story of Lancefield 1837-1997" published by West Bourke Books Inc. who hope to launch a companion story on Romsey and the southern end of the Shire during 2002. In brief these pubs were:-

Tells Creek:

Coach and Horses Inn.

Victoria had a highly mobile population, especially after the discovery of gold in 1851

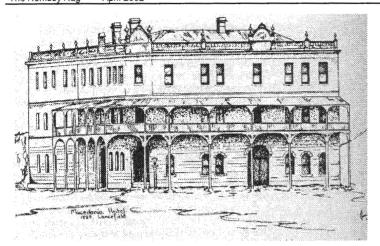

The "public house" was the focus for all levels of colonial society; pubs provided food, drink, shelter, warmth, light, toilets, sometimes a bed, but above all human company. In his book "The Australian Pub", J.M. Freeland wrote "Even those with a home met in the public houses to talk, sing, dance, play dice and cards and plan most of the activities of common life". The magnet to the pub was frequently the barmaid – a wise counselor, a cheerful voice in times of trouble, administer of first aid and comfort, an angel and a pal.

Country Pubs continued....

The Victorian government shared international concern about problems associated with excessive alcohol consumption. Scandinavian countries and the U.S.A. enacted the 18<sup>th</sup> (National Prohibition) Amendment to the constitution on 6<sup>th</sup> January, 1920 after years of pressure from the Anti Saloon League and The Womens Christian Temperance Union. In 1920 Alphonso Capone and other racketeers moved into Chicago and other American cities to control the reduction and distribution of illegal liquor as well as gambling and prostitution. The fighting between rival gangs because legendary. The U.S.A. government soon realized that it was losing revenue from taxation and licencing fees and spending vast sums of money trying to control vice. Also there was no decrease in drunkenness. Even the well intentioned Temperance advocates agreed that there was no sense in Prohibition so the 21<sup>st</sup> Amendment to the constitution was enacted in December, 1933, repealing the National prohibition Act.

Of course, the arguments continued. The Christians joined the Temperance battle, quoting Proverbs 20.1 "Wine is a mocker and beer a brawler; whoever is led astray by them is not wise"! The publicans and drinkers hunted further through the wisdom of Solomon to Proverbs 31.6 "Give beer to those who are in anguish; let them drink and forget their proverty and remember their misery no more"!

Varying degrees of temperance were tried in The Australian states. In Victoria, in 1915, drinking hours were limited to 9am to 9.30pm and from 11<sup>th</sup> October, 1916, hotels were required to stop serving alcohol at 6pm, creating the "Six O'Clock Swill", which was a peculiar feature of Victorian social life for half a century even though it became the subject of much ridicule, and astonishment. The Police had the resources to control the drinking hours in the cities but the country pub was often treated with leniency and tolerance. There was a concession in the law which permitted "travellers" to drink outside normal licencing hours A "traveller" was anyone who could prove that they had traveled more than 20 miles from their normal residence. So, in the weekends, the pubs surrounding Melbourne city often enjoyed their biggest crowds. In Romsey Shire visitors to the Monegeetta Army Camp on Sundays often showed the licencee of the Junction Hotel their return railway ticket to prove that they were "travellers" although that evidence was by necessary as local patrons were well-known. Similarly, to the south of Melbourne, the Pier Grand and Frankston hotels flourished thanks to their week-end patronage.

From 1<sup>st</sup> February, 1966 Victorian licencing laws were revised. Hotels were permitted to remain open until 10pm, restaurants were able to secure liquor permits and, most importantly, publicans were required to meet new standards. Those hotels which were not upgraded to meet these standards were delicenced but some compensation was paid to the licencees. Both the Shamrock Hotels in our Shire, i.e. the one in Lancefield and the one in Romsey closed after accepting the government's compensation.

In addition to the pubs, the story of alcohol beverages in Romsey must remember the Romsey Shire Brewing Company. This operated for only a couple of years in Lancefield on the site now occupied by the Karinya Home for the Aged. The brewing plant was moved to a new site near Mustey's Bridge, North Lancefield, and was operated during the 1880's to 1890's by the Trent Brewery which supplied not only the pubs in Romsey Shire but also secured a share of the Melbourne market.

There were many illicit distilleries in various sites hidden in the bushland especially in the Kerrie, Cherokee, Hesket and Rochford areas. These sly grog shops generally lasted only briefly as the operators were frequently raided by the police.

In recent years, several grape growers in the district have produced prize-winning cool climate wines. Country pubs have become pleasant and popular places for friendly service, good food and moderate drinking.

remember – "If you drink and drive – you are a bloody idiot"!

### ANIMAL DUMPING

Dear Editor of Romsey Rag.

I am writing to tell you about 3 little kittens who were dumped at our school.

They were very tame but very thin.

We liked them but our teacher called a lady from the Gisborne Animal Shelter to take them to the shelter. We already have 2 kittens at our school so we could not have another 3 cats.

I feel it should be against the law to dump or abandon animals of any kind.

It is cruelty to animals.

Thankyou for listening.

**Best Wishes** 

Sophie.

#### X-RAY SERVICE NOW AVAILABLE

Western Medical Imaging has recommenced X-Ray services at the Romsey Medical Centre. This service operates Mondays to Fridays from 2 – 6pm. A qualified radiographer will take X-Rays on-site which are then immediately available for review by our doctors. This means no more travelling for routine X-Rays and waiting for results. Patients are reminded that X-Ray films should be collected from the Medical Centre and kept for future reference.

#### **FLU VACCINATION**

This year, why not weigh up the pros and cons of vaccination and decide whether you can afford to risk getting the flu and, if not, get a shot! Plenty of people continue working with a common cold, but very few can keep going right through a bout of the flu. The typical symptoms are chills, sweating, high fever, weakness, extreme tiredness, muscle aches and pains in the back and legs as well as coughing.

The difficulty of stopping the spread of influenza makes vaccination one effective practical measure you can take to prevent the infection. However, vaccination won't work immediately. It takes about 2 weeks for your new antibodies to build up to effective levels, so you need to think about vaccination before a flu outbreak starts. In Australia most cases occur between May and September.

Romsey Medical Centre hosts flu vaccination clinics every year. These sessions are bulk billed for all patients. For all other patients, the vaccine will need to be purchased.

Please ring 5429 5254 to book an appointment and for further information on flu-vax clinics.

## The Many Facets of Accommodation across the Shire

The Macedon Ranges has a new industry body representing the accommodation operators across the Shire. There are some 100 or more places to stay ranging from single room B&Bs to large conference centres and everything in between. In all some 350 visitors could be accommodated on any one night!

The Macedon Ranges Accommodation Association was officially incorporated on Monday 18th March 2002 after a series of meetings initiated by David Palle-Vergin of the Kyneton Caravan Park. David

s that he initially took on a position in July 2000 on the Macedon Ranges Tourism Board with the intention of representing the accommodation industry which at the time was a rather loose collection of operators who meet informally. Congratulations to David for his vision and drive and to the industry that supported the move.

The newly appointed executive includes David Delle-Vergin (President) from Kyneton Caravan Park, David Redki (Vice-President) from Campaspe Downs, Tina Secretary) from Woodbury Cottage and Craig (Treasurer) from The 7 Chimneys Guest House. The move to incorporate gives the industry a place on the Council's new model for advisory committees at the 'Stake-holder' level. Meetings of the Stake-holders Group are expected to be quarterly.

## **Chaplaincy News**

On the afternoon of Sunday May 26<sup>th</sup> the Victoria Police Show Band will help us raise funds by performing in the college stadium. This will be a great way to spend a winter's afternoon, so keep this in mind (and diary). More information next month. Publicity officer — Chris — 5428 6526

### Riddells Creek Fire Brigade Garage Sale

Saturday April 20<sup>th</sup> from 8am till approx 2pm. Come to browse and buy at the Fire Brigade's Garage Sale. Come early for the best bargains, light refreshments available. If you would like to sell some pre-loved stuff, you can book a site by calling Margaret Ritchie on 5428 6633.

#### Red Cross & Bargain Box.

The venue for our Annual Pre-Loved Fashion Parade is as usual, the Senior Citizen's Hall in Riddells Creek on Saturday 27<sup>th</sup> April at 2pm.

However the format will be quite different. We are concentrating on a Red Cross afternoon tea which will *incorporate* a fashion parade.

When everyone has been seated we will deliver afternoon tea to your table.

While you enjoy the delights offered, our models will 'strut their stuff' between the tables to show you some beautiful outfits, the majority of which were donated by our community to St. John's op' shop, others come from Red Cross. All the fashions will be for sale.

Entry is \$5.00 payable at the door. You can also pre-pay at the Bargain Box, Station St. Riddells Creek Thu/Fri 10 till 4pm or Sat 9am till 1pm and this would be more helpful for catering purposes. Thank you.

Chris 5428 6526.

### WHAT A COMMITMENT!!!!!!

Marion Skovdam recently received a badge and certificate for being a Guide Leader for ten years. Marion is the Guide Leader of Romsey Guides. She first joined Romsey Guides in November 1991. She became the Leader in Charge in February 1992 and then attended many trainings, including Mapping and Orienteering, First Aid, Guiding Awareness and Camping. In March 1993 Marion gained her camping qualifications and since that time has taken the guides on many camps, in varying locations. Through Marion's guidance many of her guides have gained their BP badge.

Well done and congratulations on ten great years Marion; from the Leaders, Support Group and Parents of Romsey Guides!

#### What's News?

Easter is a strange time of year in the Southern Hemisphere. We really don't know if we are coming or going with the mix of images.

In the church, Easter is the celebration of new life. We remember the resurrection of Jesus Christ from the dead, and see in this the promise of new life and a new beginning for us all. For us images of birth and life are central to what Easter means.

In the dim, dark past (before the year 310) in the Northern Hemisphere, the major festival at this time of year was one of fertility, celebrating the return of the Sun and the onset of Spring. This festival was celebrated at the Equinox, a significant time after the long, cold Winter. Once again, images of birth and life abounded, reflecting what was happening in nature.

From all of this, you can, hopefully, see why eggs and bunnies are associated with this festival. But what are we to do in Australia as we enter Autumn? We can't re-write history, as this was the time of Jesus death and resurrection.

Commercially, we've seen the introduction of the Easter Bilby into the marketplace. The bilby is an interesting creature, at least in part because it is an endangered species. Quite clearly, they don't breed like rabbits, although they do have a short gestation period (about two weeks). Is this an appropriate symbol for Easter? I think that it might be, but we would need to look at Easter in a slightly different way.

Part of the miracle of Easter, and central to the Christian faith, is that death brings life. It is the death of Jesus that gives us the possibility of life, and it is his resurrection that gives us the assurance. The survival of an endangered species relies on the hope of life, often in the face of incredible difficulties. Only time will tell for the bilby.

Less seriously, you might argue that those who believe in the resurrection of Christ are also an endangered species in the world today! Only time will tell for us, too. In the meantime, may the bilby and us both remind you that Easter is about life and the hope of a better life.

Rev Alan Williams

On behalf of the Romsey Uniting Church, I wish everyone a joyous Easter and a safe School Holidays.

## Junior Tennis Champions

Congratulations to our successful section 3 team. Tim and Kieran McNamara, Elisha Ireland, Toby Smithies, Michael Blicblau and Andrew Hudson. On Saturday 16<sup>th</sup> of March, they won the pennant in the summer 2001/2002 competition. All team members received a trophy and the team pennant will hang proudly in the clubrooms. along with the many others gained over the years. This team will most likely be upgraded to section 2 for the winter competition. which starts after the Easter school holidays. We all hope you enjoy the challenge at the higher level.

A few changes have occurred with the approach to winter. Some players have left due to other commitments, and Daniel and Dean Lavars, Tim Krstic and Cameron Baker have joined the most appropriate of our three teams. Good luck kids, and welcome to Romsev Tennis Club.

Our Friday evening social hit and sausage sizzle, starting at 5:00 pm, will continue for another few weeks until daylight and weather put the practice to a halt. Coaching lessons with Brett Rees will also soon have to be re-timetabled as we lose evening light.

It is now too late to register for the winter competition, however, if you or your child would like to join in as an occasional emergency player, or you would like to just find out more about Saturday morning junior tennis, please call Bev Davis on 5429 5954, Elaine Ireland on 5429 5636 or Kaye McNamara on 5429 5622

## More than just wine at Mawarra Winery

Mawarra Winery offers more than just a sip of wine at their cellar door. Mawarra packages up the whole wine experience - live music every Sunday, fine food, spectacular views, deck seating over the water and naturally, excellent wines.

Bob & Barbara Nixon, owners of Mawarra Winery, feel all these ingredients go together to make a winery visit complete, and from the people who visit the winery again and again, it certainly is a winning combination. A delicious spit roast is served every Sunday from 12:30 - 2:00, and includes 2 meats, 5 salads, potato and breadroll for only \$15.00 per person (half-price for children u/14). Great value. Or there is the DIY BBQ. For those whose tastes tend towards snacks and nibbles, the deli-fridge is always stocked with dips, cheese, pate, deli-meat and other nibbles. On the pantry shelves are biscuits, breads, sun-dried tomatoes, olives, rice crackers - just about everything you need to make a gourmet platter, including the platter!

The music varies, but there is generally a mix of café-style jazz and cover songs we all know and love. There is no cover charge and bookings are essential.

Mawarra Winery is open 7-days a week and is situated 6 kms off the Calder Highway at Gisborne South. Take the Gisborne South/ Sunbury exit and follow the signs. Once you experience the magic of Mawarra you'll be back.

### CHRISTIAN FELLOWSHIP

Wars, conflicts, economic hard times, crime, drugs, AIDS, suffering in the world in general and in our families.

Where's it all leading?

What's the meaning of life?

Romsey and Lancefield Christian Fellowship is a community-based Church with a love for Jesus Christ. We believe God, through Jesus Christ, has the answer to these and other questions.

We invite you to join us in learning about God and the life-changing impact a relationship with Him can have.

We meet every Sunday morning at the Romsey Mechanics Institution (behind the new fountain) at 10.00 am.

For enquiries contact our minister -Graham Mau on 5429 1488.

## F ~ LINDA PRIMARY SCHOOL NEWS

We have just successfully completed our Triennial Review that every state school is required to undertake every three years Independent reviewers, (this year from Ballarat) and quite separate from DEET, came to the school to speak to staff, School Councilors and the Principal to assess how the school has performed in the past 3 years. They looked at educational standards in all subiects and compared us to similar schools and students across the state, they looked at management, operations, staff, school safety, Annual Reports, records and statistics and then made recommendations for our next 3 year School Charter. This was a very thorough process. The reviewers described our review as "a celebration of our success". They pointed out that we were exceeding state averages with our children's results, the cooperation and teamwork of our staff was highly praised and our parental involvement was a credit to our dedid community of volunteers.

Our whole school joined with Clarkefield and Darraweit Guim for a day of French activities arranged by our French teacher Mrs. Caroline Smyrk. Fabulous French music was presented by French musician, Ced Le Meledo, with his old fashioned street organ and slides of Paris, whilst all the time pointing out the similarities of our languages. Chocolate croissants for morning recess and a terrific variety of crepes for lunch were thoroughly enjoyed by all the children. The children also enjoyed French art activities and games. Mr. Chinka Steel from the Woodend-Hanging Rock Petanque Club spoke to the older children and demonstrated this typically French sport which is played in 55 countries around the world. A wonderful day was had by all and a great learning experience for the children.

Harmony Day was celebrated at Bolinda on March 21st indeed throughout the entire school week. This day coincides each year with the United Nations International Day for the Elimination of Racial Discrimination. On Har-

mony Day we think about the different cultures and languages that people contribute to our community. The theme for Harmony Day 2002 was YOU + ME = US. We had a variety of guest speakers during the week talking to the children about their experiences, both good and bad, as children and adults coming to a new country. The speakers came from Sri Lanka, South Africa and England. The children all received an orange ribbon to wear as a symbol of unity and harmony amongst all races and religions of the world. A very important and valuable learning experience for all.

You may have seen articles and photos in the local press and Melbourne papers regarding our children and the three cats that were 'dumped' at the school one afternoon just as the children were about to be dismissed. The children were so appalled at this behaviour that they decided to write letters to the papers. Three newspapers printed photos and the story, and a fourth paper printed another letter. The children now believe that their message has reached the public and they are able to share their thoughts and feelings. The children will be having a fundraiser to help the local Animal Aid Shelter, we are having a speaker come to talk to us, the family who adopted the unwanted cats has made contact with us, and a lady from Melbourne has already sent a donation for the fundraising activity. A wonderfully happy result from a very sad start, and a very important learning experience for us all about responsible pet ownership.

Our Fundraising Group is having a Bulb Night in the Bolinda Hall on Wednesday 17th April at 7.30pm. There will be guest speakers, bulbs for sale and supper provided, all for a gold coin donation. Everybody is welcome.

Well, that's some of the Bolinda news for this month – cheerio for now.

Keith Jenkins - Principal - 5428 5317

### LANCEFIELD ROMSEY LIONS

The Lions Senior Citizens units are finally under way with two slabs to house 4 units poured, and a further three slabs to house 6 units should be poured by this time this issue is published. Thanks to Life Member Lion Doug Newnham for supplying machines and men working to remove large trees and excavating blocks. Without Doug the costs would be enormous. The Homes Committee has also donated many working hours.

At the official opening of the skate park shire councillors gave news of toilets being built in this park in the very near future. The good news is the Lancefield Romsey Lions Club has sponsored a new Lions Club in Sunbury, chartered on January 24<sup>th</sup> 2002 with 20 foundation members. We congratulate Helena Thomson elected as their first president. We wish all members a great future.

Lions Club was pleased to help at the working bee cleaning of Five Mile Creek, organised by Romsey Friends of the Creek. Remember, many hands make light work. More information about this group is in this issue of the Romsey Rag. Remember the Sunday Market is Saturday April 22<sup>nd</sup>. Stalls are \$10 per site. For more information ring Alan Bailey 5429 5079 or 0438 414 245.

## Romsey Fire Brigade

#### Can we find you?

One of the most difficult problems facing all emergency services is trying to locate specific premises.

"To many people it may seem strange that we don't always know where the fire is, surely there is lots of smoke", said Lancefield's Fire Brigade 2<sup>nd</sup> Lieutenant Barry Barnett. "Many of our calls to residences don't normally involve lots of smoke, and if the calls is late at night what smoke may be around is not always visible." he added. "I imagine police and ambulance have similar problems, and they possibly have less clues to locate the correct house."

#### How can you help?

Make sure you have your house number clearly visible from the road, either on the letterbox or on the front fence near the gate. Those of you with curb and channeling can use the curb to paint the number near the crossover. There are a number of commercially available numbers that are reflective and angled to be seen from both directions.

#### What if you need help?

If you need any of the emergency services ring **000**, advise the caller the emergency service required either **police**, **ambulance** or **fire brigade**. You need to provide your name, address, and the nearest cross street. If you are reporting a fire it extremely helpful to advise the call taker if anyone may still be inside the premises.

- If the call is at night leave the front porch light on, this may not be possible in a fire emergency.
- Have someone meet the responding vehicle and direct them to the incident. If at night use a torch to attract the driver's attention.

## CHANGE YOUR CLOCK - CHANGE YOUR BATTERY!

Sunday March 31st marks the end of daylight savings and the start of the winter months, traditionally a high-risk time for household fires. While it is now law to have a smoke alarm in every household we are concerned that many are not in working order because batteries have gone flat or have been removed. Approximately 20% of all Victorian households had not replaced their smoke alarm battery in the last 12 months.

It is important to think of others who may need help in changing batteries, particularly the elderly who may not be able to get up a ladder to reach the smoke alarm. Unfortunately research indicates that this is the group of people who are most at risk.

The Lancefield Fire Brigade and

Duracell have made 20 batteries available for installation by the fire brigade. If you know someone who may need help to replace their battery please contact Barry Barnett on 5429 1296 or Robert Green on 5429 1392 between 7.00 and 8.00pm any week night.

## FIRE RESTRICTIONS STILL IN FORCE

The large fire in the Puckapunyal area brings home the fact that large fires are still possible so late in the season.

"Little or no rain has fallen in the area for some time and the risk is still there despite the generally lower tempaeratures and early nights," said Barry. "Remember it is an offence to light a fire in the open during the declared fire danger period", he added. "If you are unsure, check with the fire brigade or the council."

What keeps you warm at home?

The answer is clear....

## **Romsey Bowling Club News**

The Romsey Ladies' Pennant season has drawn to a close; being fortunate enough to go through the whole season on top of the ladder. This was a great achievement when we had the bare numbers of eight players, having said farewell to popular member Helen Seymour who has left the district along with bowler husband Tom, and without Secretary Dorothy Thompson due to illness. Our success was short lived as we lost both finals and did not make the grand final. At our invitation day tournament, the rinks were full, with teams from all clubs within the Association and outer areas. Maisie Wright from Heathcote and her team were the winners for the day: a bit of a habit as she had won here last January.

In Saturday Pennant our two sides just missed out on making the finals but put in good performances to eachance to make the finals up until the last round. Hopefully we can do better next year. The Chris Johnston Fours was held recently and teams from Lancefield, Woodend, Macedon, Wallan and Ballarat joined four Romsey sides in a good day of bowls. Graeme Cuthbert's team of Bruce Robb, Norm Thompson and Jim Cuthbertson was successful with Lancefield's Peter Linehan team runners up.

A recent working bee has seen the installation of new seats on the east and west boundaries. Thanks to all who helped out. In the near future we are looking at the feasibility of replacing the present synthetic surface with a new one.

The club event have been held and the following bowlers were successful

Men's champion Graeme Cuthbert with Ken Newnham runner up.

Women's champion Helene Newnham with Marj Davis runner up.

Men's Pairs Ken Newnham and Bruce Robb.

Women's Pairs Helene Newnham and Doss Keating.

Mixed Pairs Barry and Kath Ireland.

Minor Championship Jim Heath.

Club Triples Ken Newnham, Bruce Robb and Norm Thompson.

Women's 21 up Helen Seymour.

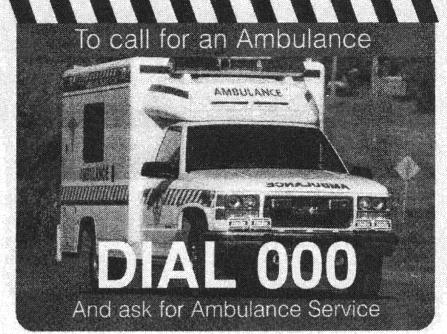

Women's 100 up Doss Keating.

Congratulations to all trophy winners. Wishing you all good bowling for 2001-2002.

When the Ambulance Operator answers, please give them the following essential information:

What is the exact location of the emergency?

(record your address, CFA or Vic Roads map reference above)

What is the phone number you are calling from?

(record your phone number above)

- What is the problem? (what exactly happened?)
- How many people are hurt?
- How old is the person?
- Is the person conscious? (is the person talking to you?)
- Is the person breathing?

DO NOT HANG UP: Follow the instructions offered by the ambulance service as you wait for the ambulance.

It is important that you do not hang up the phone until the Ambulance Operator tells you to.

REMEMBER: Have your house number clearly displayed on the front post of your driveway and easily visible for at least 20 metres in both directions. If it is night-time, please leave the outside fight on.

#### 'G CHURCH ADULT FELLOWSHIP I INJ NA. JNAL CONFERENCE

I would like to share with all Romsey Rag readers some of my memories of a really wonderful experience. I was privileged to attend, with representatives from Uniting Church Adult Fellowship Groups, from all Australian states recently a 5 day live-in conference held at Lady Northcote Recreation Centre at Rowsley. Rowsley, 12 kms north of Bacchus Marsh. 92 people registered full-time with visitors attending each day. I attended the official opening service on Wednesday 6th March with the President of the Uniting Church in Australia - Rev. James Haire as the official guest preacher.

The theme of the conference was "God's here - Let's celebrate" and Rev. Haire delivered an excellent address on this subject stressing we should all always celebrate our faith in a loving, caring God. The Melbourne singers, a wonderful group of both male and female voices, led us in and the praise sounded really great!! The service worr was . ...d in a gaily, colourfully decorated marquee which was multi-purpose for the entire conference.

On Thursday 7<sup>th</sup> March Pat Lewis came with me to a full day session, with bible studies, led each day by Dr Janet Wood from Gisborne, and these studies were the very best I have ever shared in.

For the elective workshops Pat shared in a croquet session which she enjoyed on the "paddock green"! and I attended an excellent and very hilarious puppet workshop, and now after being the proud mother of four fine sons, I can hardly believe I have a long haired blonde daughter (with tip!) names "Marsha" - because she was born/made in Bacchus Marsh.

Pat especially enjoyed her day as her son Andrew had managed the camp site for several years, and she was into note any changes. On Friday 8th March I ar-

rived early for the Bible study session (after being breathalised out of Gisborne at 8.45am!!) and had a most interesting and informative day with our synod moderator - Rev. Alistair McRae - sharing in some of the challenges he faces, as he leads Victorian Uniting Church members through very uncertain times.

An evening of "Holy Humour With Hilarious Hats" I will remember forever, with an extremely clever and delightfully funny clown, from "caring clowns" in Geelong. The five beautiful banners around the marquee were explained by two of their creators from Bairnsdale Uniting Church and are genuine works of art.

The residential camp members enjoyed a bus tour to Geelong on Saturday March 9th, and saw the wool museum, the Ford museum and the botanical gardens. I went to Bacchus Marsh in time for a good fun practice, for a hilarious puppet show we presented as our contribution for the concert! The whole Victorian contingent did a very unique and original "Waltzing Matilda" item which was great fun so I drove home still laughing.

Sunday morning March 10th, Pat Lewis and I set off early to share in the last of Janet Woods Bible studies, and in a very moving and emotional communion service led by both Rev. James Haire and Rev. Alistair McRae with lunch a both happy and sad time, as farewells were shared. Mrs Joan Stott, World President of Methodist Women, was a provocative and interesting speaker. I enjoyed meeting again 12 friends I met at Perth at the 1998 conference.

God willing, Pat and I hope to go to Adelaide in April 2004 to share some more friendly fellowship there. In conclu-

"Gods here in Romsey - Let's celebrate" wherever we

Helen W. Clement.

#### ROMSEY RAG COLLATION DATES

Many hands make light work, as they say, and the Romsey Rag is no exception. Each month a dedicated band of volunteers works tirelessly to bring the "Rag" to your household. Collating is a major task, and more volunteers would make this job so much easier! Following is a list of dates for collating all of the remaining issues of the Rag for this year. If you can help, please contact the school and we will happily pass on your name and phone number to the collating coordinator. Or just turn up at the Romsey Primary School on the day of collation at about 9.00am.

## COUNTRY WOMEN'S ASSOCIATION OF VIC. INC. ROMSEY BRANCH

As you know we recently hosted the Romsey Art Exhibition. This was again quite successful, although not as financially profitable as last year. We would like to thank the members of the public who did support us and we had a most enjoyable opening night together.

The attendance over the weekend was very good and the artists were most pleased with the sales of paintings. Thanks to them again for distributing part of the profits within the community. This year we have given donations to the Romsey CFA and the Gisborne Secondary College Chaplaincy Fund. We feel that the Rev. Graham Hall - the Chaplain - is very much needed at the College, and as a lot of students from Romsey and Riddells Creek attend this school, we felt the need to support the raising of funds that they require this year. We hope you will support our decision in this matter.

We have decided to continue our Open Craft Days at the Mechanics Institute. These will be held on the 1st Tuesday of each month at 10.00am to approx. 2.30pm in the Supper Room. This is open to anyone in the community who would like to share craft and friendship. You can bring anything you like to do or share in other things that are offered. It is BYO lunch, tea/coffee is provided. A small charge of \$3 is required to go towards rental of the hall. Please come along and join in the fun and laughter. No obligation to join CWA.

We are holding our Association Day, at the hall, on Friday 17<sup>th</sup> May at 1.30pm. Dr Carol Mathew of Lancefield - finalist in the Rural Women of the Year - is to be the Speaker and afternoon tea will be supplied. The cost is \$4. Everyone is welcome to attend and we would appreciate a phone call to register our interest for catering reasons only. You can call Joan Strawbridge 54 28 7022 or Jean Tom 54 29 5243;

## ROMSEY AND DISTRICT 3 YR OLD ROSTERED PLAYGROUP

Rostered 3 Year Old Playgroup is run on Tuesday mornings during the school terms, from 9.30am to 11.30am at the Romsey Mechanics Hall.

Playgroup is a great way for your child to mix with other children of their own age in the year before kindergarten.

With Rostered Playgroup, parents are rostered 2 -3 times per term to stay and help organise the activities. It's a great way to be involved, and you meet other parents. Activities can include painting, arts and crafts, cooking, etc.

To be eligible for 3 year old playgroup in 2002, children must have turned 3 by April 30th 2002.

If you require more information please contact Colette on 5429 1930.

## ROMSEY RED CROSS

Many thanks to all who have assisted with our Red Cros-March Appeal - those who have manned our stalls and those who have contributed donations. Our trauma teddies merchandise and lucky lady birds have proved popular and who knows whether it be someone from our area who may win the Honda car in our major raffle which is Victoria-wide.

On Wednesday 24th April instead of our usual meeting we plan to have a tour of our new Victorian Red Cross Headquarters at Villiers Street, North Melbourne. We will meet at the Shire Office in Main Street at 9.30am and take the appropriate number of cars returning to Romsey at 4.00pm. New members will be very welcome to join us. ## **SERVE YOUR COMMUNITY**

The Lancefield Public Cemetery is looked after by a voluntary Trust made up of members of the local community. With the departure of the Trust's Secretary from the district, the Trust is keen to appoint another community-minded person to fill this role. While the position is voluntary, there is a reasonable allowance to cover the costs of travel, phone bills etc.

The job of the Secretary includes maintaining the Trust's accounts, careful record-keeping, attending the Cemeterv when there is a burial, helping people researching family history, dealing with correspondence and keeping minu meetings of the Trust, usually held quarterly.

Anyone interested in serving the community in this way is invited to call the Trust's Chairman, Mr Jack Meyer, on 54 29 1292, or write to him at PO Box 31, Lancefield, 3435.

## C.F.A. AUXILLARY

I am very appreciative of the lady who has offered to help out part-time with the co-ordinating of the CFA catering. As I wrote in February's Romsey Rag there are two positions that need to be filled. Catering doesn't just happen it needs some planning. So please consider helping out. It is not a hard job and you have plenty of support. It is the least we can do for our fire personnel.

#### Five Mile Creek - News Report

On ch 2 & 3, a mixed group of local Romsey residents – teenagers, young couples, Lions, and older residents came to start clearing the debris which has grown up and obscured Five Mile Creek. The idea came from several local residents who wanted better mowing of the creek, and could see it could be a great little park. (Leaflets were put out in nearby streets). Many individuals have tried to do a little over the years – cut the weed, mow a little bit, clear nearby bushes ... now we're doing this together, and talking to Council, for a start about mowing.

Thanks to everyone of 39 people who made the time to clean out dead sticks, hoe into blackberries with brushcutters, cut off tree limbs falling into the creek, or rake up mounds of debris into piles for burning. Go along and have a look if you haven't seen it since the clean-up! The creek can be seen, it is all clear for about 300 metres from the back of the church. Willing workers cleared almost to Wrixon Street. Some could come for an hour, others stayed three hours, some came Saturday, some Sunday ... and everyone enjoyed themselves. A few quotes:

\* "A few dead rats but no dead bodies."

(Our State Member of Parliament Joanne Duncan brought her dog Dizzy who did valiant work as a trainee rat catcher.)

- "Every kid needs a creek."
- ♦ "We've found the swimming pool"
- ♦ "A walking track was put in right along the creek"

The "bbish will be burnt by the CFA ... it was too much to be take way! The Lions arranged to push it into a large pile or two for the CFA to burn as soon as the fire restrictions ease. Councillor Geoff Neil and council staff Rod Clough and Peter Jones walked up the creek on 12<sup>th</sup> March. Council says it will mow the park thoroughly soon and work with local people on funding for improvements. Cr. Alice Aird came to the clean-up and Bruce Aird took the photos.

Doug Newnham has put us in touch with the original designer of

the park along the creek. It was laid out red gums and with a walking track right along it – they are still there, under the overgrowth.

#### WHAT NEXT?

## NEXT CLEAN-UP: Sunday April 21<sup>st</sup> (Sunday before Anzac Day)

Please come along, especially if you missed this one. It is great to see the creek so clear. It could be a park every-one can use.

Next steps are to look at the old plans, hear about what the creek used to be, and work out a group to be 'Romsey Friends of the Creek'.

## LANCEFIELD-ROMSEY LITTLE ATHLETICS CENTRE NEWS - 21/3/2002

9 athletes from our Centre competed at the VLAA State Track & Field Championships in well-bourne last weekend.

Congratulations and well done to all our representatives at States:

U9 Boy Jack Townsing

24

U10 Boy Bill Rowlands

U12 Boy Daniel Marn

U12 Girl Bronwyn Rowlands U13 Boy Michael Grahamm U12 Girl Carissah Walker-Kelly U14 Boy Matthew Balir

U13 Boy Scott Martin U14 Girl Colleen Graham

April 2002

All our athletes tried hard in their events and set a number of new PBs.

FINALIST ribbons (Top 8 finishers) were won by U10 Boy Bill Rowlands, U12 Girl Bronwyn Rowlands, U14 Boy Matthew Blair and U14 Girl Colleen Graham.

13 is unlucky for some! Both our U13 boys who qualified for the VLAA State Track & Field Championships sustained injuries. Michael Graham badly sprained his wrist (on his throwing arm) two days before the Championships. Although he knew he would not have a chance at finishing in the top placings, he competed anyway and was very pleased to end up 21<sup>st</sup> out of 24 competitors Scott Martin was injured during his 80m Hurdle final at State Championships and was forced to withdraw from his remaining events. It was very disappointing that he had to miss out, but we were just thankful it was not a more serious injury. Scott will require rest for a few weeks to assist his recovery.

We wish both boys a full recovery and are thinking of them.
