ROMSEY COUNCIL NEWS

ROMSEY RIDING

NOVEMBER 1993

It was pleasing to officially recognise the achievements of three members of Council staff, when the Shire President, Cr. Geoff Neil presented Certificates of Merit to Gordon Showler, Steve Skinner and Graeme Brinsmead. All three have recently been successful in completing the course for Works Superintendent and Road Foreman, with Mr. Showler and Mr. Skinner also being distinguished with first and third place awards respectively in the Works Officers Association Awards.

In October, Council issued a Planning Permit for a follow-up event to last year's "Muddy Rock". This year, on Sunday 5th December, another event, to be called "Muddy Romp", involving 4WD mud trials and jet boat racing is planned to raise money for the "Sight First" Appeal, and is being organised in conjunction with various local Lions Clubs.

Council's Budget for 1993/94 was formally adopted at the October Council Meeting, following a period of public exhibition. The rates for the 1993/94 year have now been advertised also. The increase in rates has been kept to 1.5%, and some small increases in other fees are also proposed. Full details can be obtained from the Shire Office.

The driveway at the rear of the Mechanics Hall has been upgraded, and will make access for users of the Hall a little easier. Reconstruction of Woodend Road between Couzens Lane and Glenfern Road is to be carried out during the coming road construction season. In order to address concerns about access to the new school, a turning/passing lane is to be installed on Main Street at McIntosh Terrace.

Early notice is given that the Shire Offices will close for the Christmas break at 3.00 p.m. on Friday 24 December 1993, and will reopen on Tuesday 4 January 1994.

Have you visited Romsey and Lancefield Christian Fellowship? As a Bible-based and spirit-filled community Church, we provide a wide range of Christian based activities.

Our Sunday morning services are in the Romsey Mechanics Hall at 10.00am. We teach God's word and proclaim Jesus Christ as Lord. We provide a full children's ministry alongside our morning worship.

Romsey and Lancefield Christian Fellowship is a warm and friendly church, where people love Jesus and love one another. Parents can enjoy our service knowing that their children are well cared for, as they are taught from the word of God through fun activities with stories, songs and games.

We provide hospitality, counselling and assistance to all those in need. Mid-week, we have home groups, ladies outreach and youth programs in both towns.

- - THE ROMSEY RAMBLER - -

This is the third time I have written a goodbye piece. However, this time it will be handed in and on time. I was sad to miss the one hundredth edition - and the next - however, this year has been dominated by "job-hunting" and by the beginnings of preparing to move. The Uniting Church has a limit of ten years on appointments in normal circumstances, and this is my tenth year in Romsey.

It has been a great pleasure to be associated with the 'ROMSEY RAG' since it commenced. My family volunteered to carry it on their other paper rounds from its very beginning. I contributed a few church notes, then ventured into what became the 'Rambler' - quite regularly for a long time, now occasionally. I must thank the Editorial Committee for their trust and encouragement.

Most people would agree that, perhaps, it was a little more fun when it was an anonymous nom-de-plume. However, a regard for honesty and integrity during my brief foray into the lists of a local government by-election caused me to reveal my identity. It was remarkable how many people believed that Trevor Turnham (who can probably be considered the 'RAG's' founder) was 'The Rambler'. He and I enjoyed many chuckles over that.

I tried to make it a contribution of good news, encouragement and a little bit of conscience for the good of our community. The number of people who have suggested that they found it of worth has been most gratifying.

In January the Peglers move to Alexandra, but Romsey (and Lancefield) will always be precious in our memories.

May the 'ROMSEY RAG' go from strength to strength as our town's very valuable news and notices bulletin. And, if the Editorial Committee like the idea and can find a suitable correspondent, I would be more than happy for the 'Rambler' to continue after my departure.

Thank you for your friendship, people of Romsey. God Bless you all.

ADRIAN PEGLER

ROMSEY FIRE BRIGADE INC.

(FIRE CALLS ONLY: 295 333)

With summer approaching it is now time for us all, residents, small landowners and large landowners to commence our fire prevention works. Let's remove fire hazards (rubbish), cut grass, construct fire breaks and formulate a plan of action to protect your property if it is ever threatened by fire. If you require any information or assistance with fire prevention, please contact the Brigade.

The Brigade will be out and about on fire prevention works in the coming week: tree trimming, spraying and burning off, to complete our fire prevention plan to protect our Brigade's area. If you could assist by slashing roadsides in front of your property, constructing earth breaks within your property boundaries, it would assist us greatly.

For our newer residents, the Romsey Fire Brigade is a totally volunteer Brigade with members from all walks of life, who give up their time freely to protect our township.

If you would like to become a member or learn more about how we operate, please call at the Fire Station on Sunday mornings from 8.30am on, or attend a Brigade Meeting which are held at 8pm first Tuesday of the month, at the Fire Station, which is located in Stawell Street, between William Street and Roger Street, behind the old Court House. ROMSEY "LIVING WORD" A.O.G.

Our Church belongs to the the "Assemblies of God" (A.O.G.) World wide and do not purport to be the only "TRUE" Church. We are a recognised Christian Church by the Australian Government and we currently have a minimum of 800 Churches in Australia alone! If it is not in the Word of God - The Bible - then we do not advocate it as a way of living or teach it.

Our Church (fast becoming known as "the Upper Room") is situated upstairs on the corner of Romsey Central and Main St. Romsey. ROMSEY, 3434.

Our last Meeting for the year will be held on Tuesday, 23rd November, 8pm at the Sidney Seymour Cottage, Palmer Street, Romsey. Visitors welcome. This will be followed by a Christmas Break-Up BBQ Tea at the Cottage on Sunday, 28th November, at which an architect expert on pre-fabricated houses will offer his advice on the history of the Cottage.

Although the Historical Society does not meet in December or January, the working groups continue to care for the cottage and its garden, and also work on the Archives at Lancefield. Don't forget the Museum will still be open on Sundays, 1.30pm - 4.00pm during the holiday period too. Perhaps you will have time to come and browse at the Museum during January and find out about our local history. Enquiries to Archivist, Mrs. Dorothy Viney, tel: 295 584.

An annual reminder: "DON'T TAKE HISTORY TO THE TIP!!" Spare a thought for saving any item of historical interest, whether an object or a paper, to be preserved for all time at our Museum. Contact 295 584 for advice.

It's a bit early, but we wish everyone a safe and happy Christmas season, and please consider joining us in 1994! Membership (\$5) greatly needed!

JEAN CLEMENT, Hon. Sec. (295 417)

Trudi Smith and Helen Milner are both very talented in their own right, but when they decided to combine their talents to start their own business, the results were innovative and extraordinary.

An interest in floristry led Trudi to investigate modern methods of preserving flowers, but her search ended when the technique of "freeze drying" came to light. The process is quite lengthy and very time consuming but the results are quite astounding.

With Helen's skill and assistance, they are able to produce a superior and unique product.. They can freeze-dry most flowers and foliages, fruit, vegetables and gourmet foods such as seafood and cheeses. Common air-dried products are not a patch on the product that Trudi and Helen produce through their freeze-drying technique.

They recently attended the International Trade and Gift Fair in Melbourne and received tremendous support. Their fledgling business has burst its seams, so to speak, and they made the move to their newly renovated cottage in High Street, Lancefield - just past the Supermarket.

With the unfortunate closure of the Romsey Florist, they will now be offering a full range of fresh flower services to the people of the district together with a range of gifts, gift baskets and decorative homewares using natural and freeze-dried flowers, food and vegetables.

For those taking the plunge into matrimonial bliss, they offer a comprehensive service ranging from flowers for the bridal party through to the Church and Reception. Accessories are also available including confetti petals and horseshoes, and to ensure that the bride and groom can remember their special day long after the event has passed, Helen and Trudi can freeze-dry the Bridal Bouquet!

They have already had numerous enquiries about classes and they plan to develop this side of their business once they can get on top of their wholesaling commitments. At present they are open on weekends and Public Holidays, but they are always available to take your order for flowers, arrangements and gifts.

FRESH FLOWERS will also be available from the Romsey SSW (Habib's) Supermarket and the SHELL Service Station.

For further information about any of the services offered by Country Cuttings, please call Helen or Trudi on 292 021.

Improve your bottom line.

**When the cheques come in, choose
the right investment account.**

These days, when every dollar counts, it makes good sense to choose an investment account that provides a high return and suits your cash flow.

A National Term Deposit suits investments of \$1,000 or more. You can lock into guaranteed interest rates for a term that suits your cash flow, from seven days to five years, so you can plan your finances with certainty.

If you want a high return but don't want to tie up your money, you need a National Cash Management Account for investments of \$5,000 or more.

You earn the National's competitive cash management rate, and it is tiered, so the more you invest the higher your interest.

© National Australia Bank Limited 1992 MC032

You have "at call" access to your funds, with no minimum withdrawal.

With balances of \$5,000 or more, interest is calculated daily on the whole balance, and paid into your account monthly. Statements are issued monthly.

Both accounts are free of bank fees. However, normal government taxes and charges do apply.

If you would like more information call your local manager of the National, or ring 008 036 127.

HEART HEALTH RISK SCREENINGS

More than 30,000 Australians die of HEART ATTACK each year. Many thousands of these deaths occur amongst people in their most productive years - men and women with responsible jobs, with children still at school and mortgage payments still due.

If you have a combination of risk factors and are between the age of 30 and 60 years, your potential of developing heart disease, angina and heart attack within 5 years is as high as 1 in 6. But by eliminating some or all of these risk factors, you can reduce your chance of having a heart attack to 1 in 70!

No one can give you or your family an unconditional guarantee of protection from heart disease but knowing and understanding the risk factors is the first step in tackling the problem. Some factors are beyond your own control, such as age, sex and hereditary.

Heart disease is a family affair....

Families tend to share the risk of heart disease, not only because of inherited traits, but because children follow their parent's living habits. A few simple changes to your family's lifestyle will benefit everyone - children as well as adults. Your children stand to gain the most if they are encouraged from the start in eating and living patterns that will help protect their hearts from premature disease in adult life. There are certain risk factors that we can do something about such as weight, exercise, blood pressure, smoking and cholesterol levels.

COBAW COMMUNITY HEALTH SERVICE provide HEART HEALTH RISK SCREENINGS three times a year. Coming up on :-

FRIDAY, 12th NOVEMBER	-	10am - 8pm at KYNETON
MONDAY, 15th NOVEMBER	-	10am - 8pm at WOODEND
WEDNESDAY 17th NOVEMBER	-	10am - 8pm at ROMSEY

For just \$5 you can have your blood pressure, blood sugar and cholesterol measured, and your body mass index determined and discussed with you in context with other risk factors. Most importantly we will discuss options with you about actions you can take to reduce your risk of heart disease. Bookings are essential - phone 223011 for an appointment. Fasting is not necessary.

ASTHMA INFORMATION

Did you know that.....

* Treatment for asthma has changed significantly over the past few years.

* Asthma affects as many as 1 in 5 children and 1 in 10 adults.

* Asthma is one of the leading causes of hospitalization in children aged 1 - 14 years.

* The cost of asthma to families and communities is high. It includes the cost of medicines, equipment, Doctors bills and time lost from work and school.

* We can't cure asthma, but we can minimise the cost and maximise the management.

Cobaw Community Health Service will be running Asthma Information Sessions from 1 - 3p.m. on Thurs 4th and 11th of November at Romsey Centre, Main Street, Romsey.

Cost \$5.00 per session (Conc.Avail.)

To Register: All you need to do is phone Cobaw Community Health Service (Romsey Branch) on Wed. & Fri. on 296 011, and leave your name and phone number before 3rd Nov.
