**The warmth of slate and stone**

SLATE and stone are increasingly being used throughout homes for their warmth in both appearance, and natural ability to retain the heat in winter, and stay cool in summer, unlike ceramic tiles.

Many people are unaware that slate is natural, mined from the earth, and this is why it has the ability to retain heat.

Another plus for your slate floor is its ease of maintenance, obviously far less work than the efforts of trying to keep carpet clean, especially over the winter months. Slate also is allergy free. It is ideal for all areas of the house, both internally and externally, due to its durability and it can even be used on driveways and around swimming pools.

My family has been involved as direct importers from all over the world for many years now. We have exclusive new slates, sandstones and quartzite's currently available, giving a huge variety of looks. We can supply these products in light apricots, grey and multi-coloured tonings.

With the waterbased sealers now produced, sealing procedure has been reduced to simply applying three coats to the floor. Maintenance then just means mopping or vacuuming when required - it's as simple as that!

At Sherrie's Slate we can supply excellent tradespeople to lay the slate, or give expert advice for the home handy person. Close to 50% of people lay their slate themselves, so it is quite easy to achieve.

I look forward to seeing you soon, or call now for a free measure and quote. Sherrie Yeomans.

## SHIRE OF ROMSEY

### **WEEKLY KERBSIDE COLLECTION OF RECYCLABLE MATERIALS**

Residents are aware that the collection of recyclable materials was recently suspended due to the failure of the former contractor to fulfil his contractual obligations.

Council is now pleased to advise that MELTON RECYCLING CENTRE has been appointed as the new contractor to collect recyclable materials.

The collection service will therefore recommence on Thursday 2nd June, 1994 in the towns of Lancefield and Romsey and on Friday 3rd June, 1994 in the town of Riddells Creek. The collection service will then continue on a weekly basis each Thursday and Friday.

Leaflets will be circulated to all householders within the towns of Lancefield, Riddells Creek and Romsey which will provide further information in respect to the types of materials that can be placed out for collection.

Council will no longer provide a recycling collection service in the declared garbage collection district of the rural areas of the Shire - however, those residents will still continue to receive the garbage collection service. Letters will be sent to each individual property owner affected by this decision and the letter will provide further information in respect to the effect of this decision on the annual garbage/recycling charge.

### **CALL FOR PUBLIC COMMENT**

#### **Council land Main Road, Romsey (south of Kindergarten)**

Council has placed on public exhibition a proposed development plan for the Council owned land immediately South of the Kindergarten in Main Street Romsey. The development plan outlines potential usage and development of the land as a public recreation reserve.

Council is seeking public comment on the plan which is on display at the Romsey Shire Offices. Any comments concerning the proposed development should be forwarded, in writing, to the Chief Executive Officer, Shire of Romsey, P.O. Box 14, Romsey 3434 by Friday 1st July, 1994.

### **CLEARLY DISPLAYED STREET NUMBERS**

Do you live in a residential area and has your house been given a street number? If the answer is yes, then ask yourself whether you have clearly displayed your street number so that it is easily visible from a vehicle on the road? If the answer to the last question is no, then the Shire of Romsey strongly encourages you to take steps to display your street number in a prominent position which is free from any obstructions and which is clearly visible from the road.

Make sure that your street number is made of durable material and is kept in a good state of repair. When it needs repositioning because trees or shrubs have grown in its way then please take steps to make sure that once again the street number is clearly visible.

Street numbers are an important means of identification not just for friends, relatives and visitors to find your house for the first time, but also for emergency services such as ambulance, fire brigade, police and state emergency service which may be called to your house at any time and a clearly displayed street number may save many valuable minutes.

**ROMSEY RAG EDITORIAL COMMITTEE:** Trevor Turnham

**TYPING:** Margaret Howatson, Jeni Clampit

**DUPLICATING:** Jeni Clampit

**COLLATING:** Romsey Walking Group, Members of the Assembly of God and others.

**DISTRIBUTION:** By Volunteers covering all areas of Romsey Township.

**PLEASE NOTE:** All items for Publication in the "RAG" should be given to Margaret Howatson at the Book Shop (or at the Post Office) before the first Friday in the Month. It would be appreciated if copies could be handed in as early as possible for typing and/or editing to ease the frantic rush on the last day! We thank you for your assistance and the local support which is very gratifying.

## PEDESTRIANS BEWARE !

It may well be that we have chosen to live in Romsey because of the quieter, rural atmosphere or because when you get to know the people, you invariably find, that it truly is a Caring, Country Community. But beware ! In so many ways Romsey is also a growing rural township without many of the services provided in the city. **Pedestrians** would quickly recognise the lack of foot paths and adequate street lighting. **Motorists**, often almost too late, recognise the greater care that they have to take in order to avoid pedestrians, usually dressed in dark clothing or cyclists riding without lights on our roads.

Those long dark areas between street lights, the blinding lights of an on coming car or just preoccupation after a long day's work, are factors which make it almost impossible for motorists to see pedestrians who are on the road. Pedestrians of course can see the cars but often appear unaware of the dangers .

**Be Safe - Be seen.** Wear white, reflective tape or carry a torch - your continued safety or even your life can depend on it.

Be aware just how early darkness settles over our community in Winter - Ensure you can be seen.

## THE OFFICIAL OPENING OF ROMSEY PRIMARY SCHOOL

The first day of Winter was heralded by magnificent calm, sunny weather that was made to order for the special events that were to occur that day at our new school. Due to the tremendous work of a great team of people, the school was a picture inside and out and clearly ready for the hundreds of people who would pass through the gates during Open Day last Wednesday.

The recent transplanting of six well established trees around the hardcourt/assembly area provided clear signs of the grounds improvements and physical efforts that had been under way for many months. Inside the buildings there were displays representing the work undertaken not only by the children and the wide variety of parent participation activities carried out throughout the school but there was also evidence of the many outside groups that operate from the school .

Education Week commenced at Romsey, with a visit to the School by our local Federal member, Mr Peter Cleeland, who commented on the fact that the facilities were jointly funded by the Commonwealth and the State Governments. The Commonwealth contributing \$1.8m to the project. He also presented the children with an Australian flag, explaining its composition and its significance to us all as Australian citizens.

As Parent Participation was the State Wide theme of last week's Education Week, it was decided that a special tree should be planted in the courtyard of the school to highlight the essential role undertaken by parents. In order to reflect the fact that there needs to be an on going commitment and team approach to educating our young people, Mrs Strack together with our two youngest pupils, (Rikki Garner and Skye Kuyper) combined to complete the ceremonial planting of the large Plain tree, which had been donated by Romsey Garden World. Mrs Strack, a former Parent Club President and former School Council Vice President, spoke about the importance of

Parent Participation in the school. "The children need you," she said, emphasising that although Romsey is a great school, we need parents involved.

Over the next few months the school will be undertaking a tree planting program which is designed to improve the site and provide shade and windbreaks for the future. Together with a great number of Australian trees, ten claret ash trees will be planted, reflecting the historic links to the Plantations in Main Street and at the old school site. Some families have already donated some of these advanced trees (at a cost of \$15 and provided by Mt William Advanced Tree Nursery). We thank them and thank our sponsors for their co-operation.

Through out Open Day the school welcomed parents and friends to browse and observe the children working through a "normal program". As a tangible reminder of this very special day, the School Council presented every child with a n enamelled badge, which depicted the school logo and the words "Our New Beginning - Official Opening 1994". As a souvenir of the Official Opening of the school, the School Council also had a special design printed on white coffee mugs, which very quickly sold for \$4 each. A n other order has been placed , and a very limited number of mugs will be available this week, to members of the community.

As 2.30pm approached the hundreds of chairs that were set out in the assembly area were very quickly filled and many parents and official guests stood as the pupils led the singing of the National Anthem, the school song and concluded the program with the popular lyrics of "I am Australian." The School Council President, Mr Ashley Spear spoke of the occasion as a celebration. He emphasised how the many years of frustration and effort by so many members of the community, had finally brought us to this auspicious occasion. The General Manager of the Loddon Campaspe Mallee Region - Mr Ian Stevens, outlined the history behind the accomplishments we now enjoyed and of the on going commitment of the School Council to develop the site for future generations. As an example he cited the fact that the School Council had committed more that \$35,000 to exterior developments alone, in the current 12 month period. Almost as a break from the speeches, guests were treated to a rendition of a poem written and recited by one of our grade 6 pupils, Natusha Bennett. Her poem outlined the frustrations of the previous year when there was so much uncertainty concerning the moving dates as well as lauding the facilities of the new school and the benefits such a complex brings to the children.

The Minister of Education - Mr Don Hayward, in officially opening the complex, picked up on all the major points mentioned by the previous speakers and emphasised the importance of Parents in School Programs. The enthusiastic responses he elicited from children, when he asked them if they liked their new school, was a clear indication of their pride in the school. After unveiling the bronze plaque that is fixed to the huge rock in the playground, the Minister was escorted through the buildings by the President of the School Council and stayed to enjoy the afternoon tea provided by members of the Parents' Club. \*\* Romsey Primary School is dedicated to the community and the School Council encourage the use of its facilities by all outside groups. \*\*

## ROMSEY LADIES GOLF

This months golf has been played under some pretty awful conditions but with some good results.

9/5/94 - Pennant was played at Gisborne, Romsey v Broadford. Romsey went down 2/3.

11/5/94 - Monthly Medal - Stableford, winners were - 1st D. Baker, (39pts), 2nd B. Cole (36pts), 3rd M. Campbell (36 pts)

13/5/94 - Congratulations to Leila Beasley who won the "C" Grade division at the Lancefield Tournament.

18/5/94 - Romsey Ladies entered a 3BBB Competition. Each Club that enters places their winning teams score into a draw. The team with the best score wins a trip to W.A. Our winning team with a score of 49 stableford points and a table 'E' on the day due to very poor weather conditions was S. Shelton, V. Newell and L. Beasley.

23/5/94 - Pennant played at Seymour, Romsey v Gisborne. Romsey needed this match for them to gain a finals chance. Unfortunately, Romsey who put up a good fight to the end were unable to win. Gisborne won 5/0.

Representing Romsey at the Central Districts Pennant wind-up which was held at Castlemaine was Hilda Caly and Darlene Baker. The girls had a great day.

25/5/94 - 2nd Round Silver Spoon & Mona McLeod - winners were : 1st. L. Beasley, 2nd S. Shelton, 3rd V. Newell.

30/5/94 - Final round of Pennant was played at Nagambie, Romsey v Kilmore. Well with 2 of our regular girls unable to play, this left us with 3, with a mad dash to find 2 other ladies to fill these positions quickly. We only managed 1 - Jean Johnston. Poor Jean being dragged off to a very dry and dusty sand scrape course was very nervous as she has only played approx. 3 times this year. Well, after completing the first nine holes she banged her club on the ground in frustration as she was down at the turn. But good old reliable Jean pegged her was back and won on the 18th. Well done Jean!! As for the rest of the team Shirley won 7/5, Leila won 1 up and Virginia won 4/3. So after forfeiting one game, we finished on a high note 4/1.

31/5/94 - Romsey Ladies Tournament. 36 Ladies took to the course with reasonable weather, and the course in 'Magic' condition.

Winners on the day were: Open Tournament - Dawn Hinneberg - Trentham, Gross 81, 'A' Grade Nett - Trudy Altheim - Woodend, 23 - nett 65, 'B' Grade Scratch was won after a sudden death play-off between Glenda and Leila.

'B' Grade Scratch - Glenda Fothergill - Broadford, gross 93.

'B' Grade Nett - Leila Beasley - Romsey, 28 - nett 65,

N.T.P. on the 10th - Dawn Roberts - Woodend.

Thank you to National Diaries, Pura Light Start for their generous sponsorship of prizes. Also to John Laing for the condition of the course.

Also to several of our male members who very generously donate and give up their time to the club in assisting John where ever necessary.

Thank you to all our lady members for their baking and their time on the day. And as I forgot to congratulate Lancefield for their Scratch Pennant win!

Congratulations! Finally, last month three of our Ladies very smartly won the Kilmore Bowl and I missed out placing it in the Romsey Rag.

Congratulations Shirley, Leila and Mary on a very fine effort.

1/6/94 - Queen Elizabeth Trophy - winners - 1st Shirley Shelton 41 pts.;

2nd Virginia Newell 39 pts.; 3rd Hazel Stammers 34 pts.

Found - 1 Pair Spectacles at Romsey Golf Club - contact 295 306.

Virginia Newell - President.

### **ROMSEY GOLF CLUB NEWS**

Romsey Golf Club would like to thank all those who supported the club in the recent Last Man Standing raffle which was held on Sunday 15th May. The day was enjoyed by all who attended. Our thanks to all those who helped organize and run the day. Winner - G. Curtain, Melbourne.

Congratulations to the following: Andrew Newell who finished equal 1st in the Junior section of the Lancefield Open Tournament held recently.

Chris Gaunt who was the winner of the Dalhousie Championship.

Danny Gaunt playing for Spring Valley Golf Club helped their Division 1 minor pennant team to win the Pennant.

As visitors to the Golf Course will have noticed the members have been rather busy lately improving the course by grading and filling in parts of the old race track and also construction of new tees. Special thanks must go to Doug Newnham for the use of his earth moving equipment and Paul Green for his help also.

Finally I would like to welcome some new members to our club: D. Baker, M. Wilson, G. White, P. Battye, R. Mutimer, I. Bray, J. Mearns K. Brearley and A. Moyes.

Anyone who would be interested in joining the golf club can see either Ron Cole at the Post Office or Tony Griffin at the Mobil Service Station.

Rodney Campbell Hon. Secretary.

### A New Service for Kyneton, Woodend and Romsey Residents

A Cardiovascular Rehabilitation Program has been established by Kyneton District Hospital in cooperation with Cobaw Community Health Service.

The NATIONAL HEART FOUNDATION recommends that "all patients with angina or following a heart attack or cardiac surgery should attend a Cardiac Rehabilitation Program"

The new program will provide education, exercise and support for clients and is designed to minimise the effects of heart disease and to maximise their physical, psychological and social recovery.

The program is intended for individuals with an angina condition, following a heart attack or cardiac surgery and for those who are at high risk of developing heart disease. Family members or partners are also encouraged to attend as their support is an important aspect of recovery.

The program, conducted by health professionals, consists of weekly sessions over six weeks including a light exercise and education component in each session.

The first program will commence at 1.30pm on Wednesday 1 June and will be held at Kyneton Branch of Cobaw CHS located in Wedge Street, Kyneton.

You can participate in the program by asking your doctor to refer you. Alternatively you may contact the program coordinator Elizabeth Wilson.

For more details about this program contact Elizabeth Wilson, Physiotherapist, Kyneton District Hospital tel 054 221177 or Heather Wilson Cobaw Community Health Service tel 054 223011

## Romsey Walking Group

For many walks of life are we,  
But on this fact we all agree,

To walk the country roads is good,  
We hope it helps us all - It should!

We talk and laugh, as on we stride,  
At our own place, or side by side.

We puff and pant up mount and hill,  
Perhaps we've saved a doctor's bill!

Current topics are discussed,  
Cars pass by, we're drowned in dust.

Ages, interests, backgrounds differ,  
Some are supple, others stiffer.

Aches and pains are soon forgotten,  
Even if the day is rotten.

A happy group, with jokes and wit,  
Tuesday walkers are keeping fit!

This 'Masterpiece' has been created but the author does not want her name stated....

We have eliminated quite a few of Lawsons from our Faithful Crew.

So hers is a clue or two to help you work out her name yourself.....

I've been a Romsey lass for years,  
I've taught and chalked and wiped away tears.

I've tramped this land behind my Farmer and carried his tea till I could go no farther.

Still she cooks in the good country style,  
Then out in the garden with rake and grass pile.

Terrific with the slasher and mower  
Her cheerfulness is like an opening flower.

THE ROMSEY WALKING GROUP MEETS OUTSIDE THE CHEMIST TUESDAYS AT 9.10A.M.

## **COBAW COMMUNITY HEALTH SERVICE**

VOLUNTEER RECOGNITION WEEK ran from the 9th to the 15th May this year, somewhat appropriately beginning the day AFTER Mother's Day! The auxiliary of the Cobaw Community Health Service "The Friends of Cobaw" once again hosted a BBQ for the volunteers of the Health Service. This year they held the BBQ in the Kyneton Gardens and despite a freezing wind blowing from the Arctic, there were nearly 50 people present.

The Director of SHARE, the Community Service branch of the Uniting Church, Mr. Geoff Webb, came along to present a funding cheque for the role of Co-Ordinator of Volunteers to the Chief Executive Officer of the Health Service, Mr. Phil Flanagan.

The organisers of the day were delighted to have some of the original volunteers come back to say "Hullo", foundation members Wyn and Gil Hobbs from Woodend and Leonie Miles from Romsey. The Volunteer Service was founded in 1987 and the numbers of persons willing to donate their time to volunteering grow each year. It is an essential part of any organisation which utilises unpaid workers to give them the recognition, the respect and the accolades they so richly deserve. As Phil Flanagan said, "We could not run our programmes without them".

The election of office bearers for the ensuing year was held in the Meeting Room of the Health Service and the Office Bearers are as follows:-

PRESIDENT: Jack McGuckian  
VICE PRESIDENTS: Marlene Chignell and Gerry Mitchell  
TREASURER: Denise Kullay  
JOINT SECRETARIES: Alison Miller & Helen James  
COMMITTEE: Joyce McGuckian, Joan Coleman, Maureen Goodman, Lyn O'Callaghan, Ron Morton, Angus O'Callaghan.

## **Cobaw Community Health Service and the Lancefield Community House presents:**

LIVING WITH KIDS - A parenting Programme for Parents with Children between 5 and 12.  
WHEN: Monday's 10.00a.m. - Commencing 18th July, 1994  
WHERE: Lancefield Community House  
COST: \$30.00 (Health Care Card Holder Concession)  
NUMBERS ARE LIMITED SO BOOK NOW - CONTACT : Lisa Delaney at the Cobaw Community Health Service, Wednesdays and Fridays on 296 011.

## **ROMSEY OPPORTUNITY SHOP**

Something for everyone - plus - Prams, Cots, China, Toys, Books, Linen, Curtains and Bags of Rags. (Lay-By system available).

HOURS: ..THURSDAYS 10-3pm.....FRIDAYS 10-3pm.....SATURDAYS 10-1pm.....

**Note to Readers:** The "Rag" is typed, edited, run-off, collated and delivered by willing volunteers - the only outlay is the paper and copying of the 1,000 copies delivered each month. This cost is offset by the advertising charges which range from \$2.50 for a small "For Sale" ad to \$20 for a half page and \$5 for a business card size or cheaper if a Trade Ad runs for a 12 month period. The "Rag" is the best local advertising and enables this great little community paper to survive. Please contact Margaret Howatson on 296 090 or 295 724 for more information.

## **AEROBICS ...**

I'm back! Hopefully on two strong feet! Classes will resume on Monday, 6th JUNE at the LANCEFIELD MECHANICS HALL: MONDAY 9.30a.m. Hi/Lo; and ROMSEY MECHANICS HALL: TUESDAY 7.00p.m. Step and FRIDAY 9.30a.m. Step + Ring me to find out about our special Wednesday classes on Tummy/Hips 291 451. I look forward to seeing you all again, Jolanta.

## ROMSEY LIVING WORD ASSEMBLIES OF GOD

Friday the 27th of May was another first for the Living Word Church. Youth from Romsey, Seymour and Wallan joined us for our first combined gathering. Eventually Woodend and Euroa will be included so you can imagine quite a large group developing.

For those privileged enough to have gone, by that I mean young enough, the night was a great success and one to be remembered.

Here are a few random comments from some who attended: 'Amelia (15) 'It's not like the usual Youth Group', Lindsay (19) 'There was freedom there', Amanda (19) 'I did things I didn't know I could do', Shaun (16) 'It was exciting', sounds pretty good to me!

Activities varied, promoting fun and freedom of self expression, in an organised manner. God wants only the best for us all, and the Youth are no exception. Learning to promote and express the liberty we have in God, is only just the beginning. Our youth can have fun because they know they are loved and accepted by God.

Great things are planned for the future, be encouraged to make inquiries to the number below.

'Living Word Church' belongs to the Assemblies of God, world wide, and do not imply to be the only "True" Church. We are a government recognised Christian Church, with a minimum of 800 Churches in Australia, and growing weekly. The Bible is our book of life, we live it and teach it.

We are situated upstairs, in "the Upper Room", the corner of Romsey Central and main street Romsey. Service times are Sunday 10am, with a monthly evening service at 6.30pm. See book shop window for next service. Midweek meeting on Thursday, is at 7.30pm, in the "Upper Room."

Our Christian book shop is a place where all are welcome, it is becoming quite the place to meet and have a chat. The shop is a non-profit organisation, and has a great range of Christian books, relevant to all Christian denominations, we are only too willing to order items not in stock, and we also have lay-by. Our purpose is to serve the community and to spread the love of God to all. Feel free to come in and browse, or just say hello.

For further inquiries please contact our Church office and book shop on (054) 29 6327, or P.O Box 16 Romsey 3434.

# Improve your bottom line.

When the cheques come in, choose  
the right investment account.

These days, when every dollar counts, it makes good sense to choose an investment account that provides a high return and suits your cash flow.

A National Term Deposit suits investments of \$1,000 or more. You can lock into guaranteed interest rates for a term that suits your cash flow, from seven days to five years, so you can plan your finances with certainty.

If you want a high return but don't want to tie up your money, you need a National Cash Management Account for investments of \$5,000 or more.

You earn the National's competitive cash management rate, and it is tiered, so the more you invest the higher your interest.

You have "at call" access to your funds, with no minimum withdrawal.

With balances of \$5,000 or more, interest is calculated daily on the whole balance, and paid into your account monthly. Statements are issued monthly.

Both accounts are free of bank fees. However, normal government taxes and charges do apply.

If you would like more information call your local manager of the National, or ring 008 036 127.

Romsey and lancefield Christian Fellowship in conjunction with six other participating regional churches, will be staging a follow-up celebration meeting on Sunday evening 19th June at 6:30pm. To be held in the Romsey mechanics hall and featuring much of the music team from Sunbury, we trust that as christians gather from all over the Macedon ranges, we will have a very special evening. Worship leader and song writer, John Segond, will be coming from Belmont, Geelong, and will also be leading a combined churches youth rally in Sunbury the previous evening.

As a local Bible believing church we are committed to bringing the best in ministry to our local community. As part of the fellowship of local regional churches we are planning similar combined events on a regular basis throughout the year.

We invite you to our regular Sunday morning services which are held in the Romsey mechanics hall at 10:00am. We have a comprehensive childrens ministry, and several home groups for mid-week fellowship and Bible study.

If you have thought about a christian committment, or even the relevance of God's word in todays society, we would invite your enquiry.

For information on any of our community based services, you can contact Geoff Holland (minister) on 295673 or Graham Mau on 291 488.

### EXTENSION OF FREE TREE DAY

### SHIRE OF ROMSEY

Due to the inclement weather and the fact that many residents were unable to attend the Free Tree Day on Saturday May 14, 1994, it has been decided to hold an "extension" day for the Free Trees. This day will be Tuesday, June 14, 1994. Trees will be available under the same conditions as for Saturday May 14, 1994 between the hours of 10.00 a.m. and 12 Noon. The Location for the collection of trees will be the Romsey Shire Offices, Main Street, Romsey.

## WIT & WISDOM

**Self confidence:** inability to appreciate one's own  
ignorance and over-estimation of that of others.

**Peace** is best assured by those prepared to go to  
war to maintain it. C.L. Wheller.

**Our number one problem** is that no one wants to  
take responsibility for anything, but don't quote  
me. Randy Glasbergen.

**Modern art:** the work of the untalented, sold by the  
unprincipled to the utterly bewildered. - Al Capp.

**WORLD ENVIRONMENT DAY - June 5th** Throughout this week, dedicated to raise  
the awareness of people throughout the whole world to environmental issues, let us all make every  
effort to take care of our fragile environment. Plant a tree, do some gardening, pick up some litter  
that would otherwise be left lying around and involve at least one person in a conversation about our  
environment. You may not have noticed the build up of litter in the shopping centre car parks or  
blown out of rubbish bins. You may not have noticed the prostrate growing creeper that regularly  
gets stepped on by pedestrians. Lets make every effort this week to care, share our ideas and take a  
second look about us. ☺
